21ST ANNUAL DILLY
2009 Ron Dill Memorial Tournament
COMPETITIVE SLO - PITCH
July 31st, August 1st, 2nd & 3rd

Once again, it's time for the "Dilly" Cheers Softball Club is holding its Annual Ron Dill Memorial Tournament. This is the 21st consecutive year for the fun filled event. The "Dilly" is the Islands largest tournament, attracting over 80 teams from the Mainland and the Island. It is a fantastic opportunity for your team to get away, play some new teams and enjoy all the social activities that we have planned for the weekend. All teams are guaranteed 5 games, but most play 5 to 8 games. The tournament is held over 4 days, with scheduling to accommodate out of town teams.

Competitive Slo - Pitch Division

Actual winnings or prize money will be based on number of entries.

The "Dilly" is known as the social event of the season. We have two dances. Last year the dances sold out, so we suggest you get your tickets early. The "Beer Garden" is another "Dilly" highlight with mist tents, canned music and dancing. Other events and awards include: Most Sportsman Like; Best Beer Drinking Team.

Every year this tournament grows in size and character, we suggest you get your entry form in soon. Also book your accommodations immediately; a list of hotels and campsites is attached.

THE DILLY IS THE PLACE TO BE!
